In 2018, the Supreme Court struck down a 1992 federal law banning the expansion of sports betting, allowing states to implement sports gambling. The downside to being good at sports is that you think you know sports better than most people and that means you can gamble on it successfully.

I thought it was simple.

My grandmother saw me upset and asked what was wrong.

You don't win.

I was very secretive.

I would bet on football every once in a while, but I mostly bet on basketball.

Five days later, I'm broke.

It's possible.
