You'll also notice a faded knight insignia positioned at the intersection of two red lines.

The Nova Check pattern is slightly different, with the main discrepancy being that, like the Classic Check, there should be no faded knight insignia.

The bag should have either a metal plaque or a leather tag.

The metal plaque should match the colour of the bags hardware, plus an engraving reading 'Burberry London' in the brand's signature font.

Many (but not all) of the leather tags have 'Made in Italy' stamped on the back.

Whether it's metal or leather, the font of the logo on the stamp or engraving is very distinctive.
